• The new fantasy action RPG from Falcom called "Dunjinn: The Legacy of the Cursed King" has successfully captured my heart with its gameplay. It is a complete new experience as an action RPG game. It is a game with high difficulty and high expectation. However, the story progresses in order, and I feel an overwhelming happy sensation when I play this game. I strongly recommend this game to those who are looking for an amazing fantasy action RPG game for free. A new fantasy action RPG game that I was extremely looking forward to starting after playing "Dunjinn: The Fallen King". The story is beautiful, interesting, and the atmosphere is immersive as ever. The characters are all incredibly detailed. From the initial reactions, I can say that the gameplay of this game is what we expected, but some things are different from "Dunjinn: The Fallen King". I could not help but find it difficult to enjoy this game as I played for a long time after playing the game. I was disappointed by the fact that there are many things you have to go through in order to get to the next level. If you are used to the personality of "Dunjinn: The Fallen King", you will be quite disappointed by how in "Dunjinn: The Legacy of the Cursed King", the amount of game time you spend leveling up is quite small. But, the good news is that you'll still be able to enjoy it. Along with Falcom Games, "Dunjinn: The Fallen King" and "Dunjinn: The Legacy of the Cursed King" were released as one package under the title of "Dunjinn: The Lost Legacy". The two games include the same story, and I do not think that the two games are completely different. "Dunjinn: The Lost Child", while "Dunjinn: The Legacy of the Cursed King" is their new fantasy action RPG. Both games have a similar storyline and game style. Both games have strong sense of maturity, and both share a strong value system. In addition to the story, "Dunjinn: The Lost Child" had. I think that the game combines the strong sense of maturity of "Dunjinn: The Fallen King" with the fresh personality of "Dunjinn: The Lost Child" had.
